OPTIMIZING OPPORTUNITIES FOR STUDENTS WITH AUTISM

The League School of Greater Boston invites leaders from the field of special education to learn more about our approach to helping children with autism. Learn about League's Transition Program, the school's vocational program and how it prepares students to become independent adults. You'll also get a chance to learn more about the SCERTS model and how the League School of Greater Boston uses it to increase student success in the areas of Social Communication and Emotional Regulation.

Light refreshments will be served.

Who would benefit from attending?

Special Education Directors, Out-of-District Coordinators, Educational Consultants, and Advocates

For more information or to RSVP for this event email Gayle Overbey at goverbey@leagueschool.com by Thursday, May 24.
