Residential Program Poised for Growth

Coordinator of Residential Services, Kerry Figueiredo, is passionate about the role the Residential Program plays in helping students thrive after they

graduate from the League School. To that end, she has instituted a number of initiatives that are providing the foundation for future growth.

**RSVP for
Legislators' Day**

Eating healthily during the holiday season is a challenge for everyone, but it can be particularly difficult for children with autism. Marie Canesi, the school's Culinary Teacher, provides

recommendations to help students avoid weight gain during the holidays.

Parent Advisory Committee Benefits School and Student Families

Parents of League School students who are looking for an opportunity to get involved with the school may want to join the Parent Advisory Committee (PAC). The PAC supports the school and its mission while offering an opportunity to connect with other parents.
