

## Larry Sauer Unanimously Selected as League School's Next Executive Director

The Board of Directors of League School of Greater Boston unanimously voted to appoint Larry Sauer, our Chief Operating Officer, as the school's next Executive Director.

The effective date is July 1, when he takes over from our long-time Executive Director, Dr. Frank Gagliardi, who is retiring. [LEARN MORE](#)

## School Comes Together to Respond to Challenges of Shutdown

On March 18, Governor Charlie Baker required all schools to shut down in response to the coronavirus pandemic. The League School, anticipating this directive, began planning well in advance to help students transition to a new way of learning. This preparation enabled teachers, specialists, and staff to develop a customized online learning program for our students. [LEARN MORE](#)

## Residential Program Staff Go Above and Beyond During Pandemic

The League School's Residential Program has been a model of excellence during this unprecedented time. When the state required that our on-site school program close, our residential staff sprung to action to ensure a safe, comforting, and educational program for our residents. [LEARN MORE](#)

## Preparing for a Return to School

Although the League School doesn't yet have a date for when we can return to the classrooms, planning for that day is underway. [LEARN MORE](#)

## NAVIGATING GUARDIANSHIP 1.0 - Adulthood..Ready or Not

This presentation was originally scheduled for Wednesday, March 18th but will now be held via Zoom on Wednesday, June 3rd, 2020 from 6 p.m. to 7:30 p.m. Meeting information will be sent in advance. You MUST RSVP before June 2nd to participate. [CLICK HERE TO RSVP](#)

In Massachusetts, all persons who are 18 years old or older are presumed competent to manage their educational choices, exercise their legal rights, give informed consent to their medical care, and manage their own money. However, if that same person happens to have an intellectual disability, is he or she able to make those decisions independently?

Two experienced practitioners, Daryl Cameron Every, Esq. and Rachel Sletzinger, LICSW, will explain the guardianship process and help you decide whether guardianship is the correct route for protecting your child's rights to proper care and services.

## Night of Champions Postponed

Our flagship event of the year, the Night of Champions, where we honor those who have supported the work of the League School and the greater autism community, is postponed until the fall.

We would, once again, like to recognize our honorees for their commitment and support of League School and individuals with Autism Spectrum Disorder. [Direct Federal Credit Union](#), Duron and Christine Harmon (top) and League School's Executive Director Frank Gagliardi (bottom).

Please stay tuned for further updates.
