

A New Hire and Dedicated Staff Member Selected for Vital Leadership Roles

League School recently selected Stephanie Steen (photo) and Lindsay Wagner for two vital leadership roles. Stephanie is League School's new Director of Clinical and Behavioral Services. The school promoted long-time staff member, Lindsay Wagner, to Director of Allied Health. [Get to know Stephanie and Lindsay and their new roles.](#)

Night of Champions Moved to Thursday, November 11 to Allow for Hybrid Participation Options

Given growing concerns of rising covid-related cases, the League School is moving its premier Night of Champions event to Thursday, November 11 from 6-9PM. Originally scheduled for October 7, the additional month allows more time to work out critical safety protocols including hybrid attendance options. [Find out how you can be part of this important event.](#)

You're Invited to Join Us!

League School's Virtual Open House
Thursday, October 21st - 10AM
Want to learn more about League School or know someone who does?
[RSVP HERE](#) to attend.

DID YOU KNOW: October is International AAC Awareness Month

2019 Night of Champions Chairs Continue Commitment to School

Join Friends of League

Geoff and Patricia Ellis have served on the Night of Champions Committee since its beginning. They chaired the last event along with their son Connor. He attended the school for 10 years before his graduation in 2014, and the school holds a special place in the family's heart. [Find out why the Ellis family supports the school.](#)

Commemorative Brick Patio Complete; Recognizes Members of League School's Community

League School recently completed a project to install a commemorative brick patio recognizing members of League's Community. Proceeds from the project helped fund our Outdoor Learning Area. [Check out additional photos from the area and see how you can purchase a commemorative brick](#)

Refer Candidates or Join a Collaborative Team Committed to Excellence in Autism

If you or someone you know has a background in education or human services, consider joining or referring your colleague to the League School. The school offers a collegial atmosphere and in-depth training. [Find out why the League School is a great place to work.](#)
