

## League School's Summer Summary

The day school program reopened on July 7 after a three-week vacation. The

break allowed administrative staff to catch up on projects and gave the students and school staff a chance to exhale. "The pandemic has made for a very tough year, and the teachers and staff appreciated the time off," said Chief Executive Officer, Larry Sauer.

## League School Recognized as School of Excellence

*Receives National Association of Special Education Teachers Award*

The League School received the coveted 2021 National Association of Special Education Teachers (NASSET) Award School of Excellence Award. NASSET is a national membership organization that supports those preparing for or teaching in the field of special education. The school was one of 127 schools across the country to receive this year's award. [Learn more about the award.](#)

## Team Supports League School in August 15 Falmouth Road Race

### *Parent and Employee Share Why They're Running*

Twenty-three team members are running to support the League School in this year's Falmouth Road Race. On Sunday, August 15, they will step off in person from Woods Hole and run to Falmouth Heights. This is the 49<sup>th</sup> year of the storied 7-mile race. League School team members include parents, staff, a sibling, a Walpole teacher, and other supporters.
