*League School for Autism is preparing autistic students with job readiness for career successes.*

## Our Campus

We are located in Walpole, MA, centrally located between Boston and Providence, on a beautiful campus with modern school and residential buildings and lots of green space for outdoor learning and leisure. Our future plans include the building of a career empowerment center that will better position our students to step out into their communities and lead fulfilling and productive lives. We invite you to visit and take a tour of our school.

## Award Winning

Our award-winning, year-round program is based on a multidisciplinary team approach, using a holistic and individualized model to build on the strengths and needs of each student.
